

Thesis Binding Payment Form

Please note that all theses are archived electronically in the NC Docks digital repository. Therefore, the Library no longer requires physical, bound copies of University or Departmental Honors theses.

This form is only to be completed if you are submitting hard copies of your theses to be bound for personal or departmental purposes. Bound copies will be returned to the Honors College to be distributed or mailed as indicated on this form.

*Please note that theses are often gone to the bindery for **several months** and will not be distributed/mailed until after you've already graduated from ASU. Therefore, make sure your contact information is accurate and complete so we can contact you throughout the binding process if needed.*
